

LIMITED WARRANTY

This warranty will only be applicable within the geographical location of the United States continental 48 states.

DURATION OF WARRANTY

Houston PolyTank, LLC's tanks are warranted for a period of 1 year following the date of delivery to the original owner:

(Extended warranty periods are available for an additional cost. Consult with factory for details.)

REPAIR OR REPLACEMENT

If the product develops a defect during the warranty period, notify warrantor immediately. There are a few options to consider with a notice from owner.

At Warrantors Election:

1. At warrantor's cost, any defective tank will be repaired or replaced and returned to owner.
2. Warrantor may ship or deliver a new tank to replace the defective tank. Shipping will be at the owners cost.
3. Warrantor may refund the pro-rated value based on normal life span upon return of the tank.

Houston PolyTank is specifically responsible for the tank. Warrantor is not responsible for loss of material, loss of time, consequential damages, shipping or any other losses.

This warranty will be nullified if:

1. Tank was shipped using “LTL” carrier.
2. Tank has been used in a manner other than its originally design or purpose or if warrantor’s instructions have not been followed.
3. Tank has not been installed, used, and maintained in accordance with a) laws and regulations; b) guidelines set forth in the Installation Guidelines.
4. Tank has been altered or repaired by unauthorized personnel.
5. Notification of the defect has not been made in writing within the warranty period.
6. Invoice for tank has not been paid.
7. Proof of original invoice by the owner. Invoice must show date and location of purchase.
8. Flexible fitting connections have not been used.
9. Tank has been subjected to misuse, negligence, fire, accident, act of war, or act of God.
